WE EXTEND NEW YEAR GREETINGS

May it be a Prosperous one. The encouragement we have received the past six months in the way of business, makes us feel the worst is behind us, and that the future has nothing but good things in store for all of us. Our stock of seeds has been carefully selected and bought opportunely, consequently we feel confident of being able to fill your orders for all varieties of Clover and Field Seeds satisfactorily, both as to quality and price. All we ask is the opportunity to compete for your business. Let us hear from you.

Subject to immediate acceptance and market changes we quote f. o. b. Louisville
